The City of Cottleville held a comp plan kick off open house conducted by the PGAV planners for the residents and general public to view a draft existing conditions assessment, current zoning maps, various other maps, demographics, current land use & market analysis, current parks & recreation uses, current sidewalk infrastructure, current transportation infrastructure, and more.

Also, in attendance were various landowners, city staff members, several PGAV planners, the city administrator, Mayor Stephen Thompson, Alderman Gnau, Alderman Holt, and Alderman Krekeler, Planning and Zoning Commissioner Kelly, Planning and Zoning Commissioner Conte and Old Town Historic Commission Chairman Scott Lewis.

It was noted PGAV will provide a summary report of feedback received at a later date.

Respectfully Submitted,

  
Amy C. Lewis  
City Clerk, MRCC, CMC
