Staff Reports

A. City Administrator

During this time, Michael Padella, City Administrator, updated the Board of Aldermen on all agenda items including the consent agenda items, proclamation and board appointments. Discussion was held regarding evaluating and designing a sidewalk connection and pedestrian crossing on Lohmar Lane with Cochran Engineering. Some direction was given regarding adding additional sidewalks in the area to the project. It was noted that a strategic planning meeting will be scheduled in the future to cover a variety of topics for the Board to consider. Mr. Padella reviewed the vendor license ordinance on tonight's agenda along with some history and complications on the matter. However, it was noted the goal was to reduce "red tape" and make it a simpler process for vendors in turn encouraging markets and events featuring them.

In addition, it was noted on tonight's agenda that there is a new SRO agreement with Francis Howell School District providing for 3 rather than 2 school resource officers. It was further noted this agreement would need to be implemented before school starts.

Also on tonight's agenda is an agreement with PGAV to update the City's comprehensive plan at a cost of approximately \$110,000.00. Staff is requesting two readings so the process of doing the update can get started right away. Some discussion was held regarding providing a development moratorium in conjunction with the comp planning process. However, it was noted that people's property rights should be considered, and the moratorium should be specific to certain types of development and for a specific duration, which the current proposed moratorium does.

Alderman Holt moved to suspend the rules for Bills 25-026 and 25-028. Alderman Gnau seconded the motion. Motion was carried by affirmative votes of four (4) Aldermen. There were no nay votes and no abstentions.

At this time Mr. Padella began reviewing some non-agenda items such as the 2025 St. Charles County Highway Department Maintenance Plan, reclassification of single owner multi family properties to commercial for the purpose of solid waste collection service allowing them to choose their own provider. A lengthy discussion was held regarding motorized bikes. Chief McCune stated he has done some research on the matter and noted you must be 16 years of age to drive them on the streets, and they are not permitted on the sidewalks. However, there is some gray areas that are still being sorted out at the state and local municipalities levels due to an increase in use throughout the entire region not just Cottleville. It was the consensus of the Aldermen not to rule out e- bikes with peddles.

Alderman Krekeler moved to recess the work session meeting at 6:58pm to begin the regular meeting at 7:00pm. Alderman Holt seconded the motion. Motion was carried by affirmative votes of four (4) Aldermen. There were no nay votes and no abstentions.

The Mayor and Board of Aldermen went back into the work session meeting at 7:43pm after adjourning the regular session meeting. Some discussion was held regarding a 6-month moratorium on multifamily versus new residential or PUD. It was noted moratoriums would require public hearings before Planning and Zoning followed by the Board of Aldermen which could allow time to update the comp plan, slow down development, review traffic and storm water matters, in the opinion of some Aldermen. Others stated it could be seen as a broad stroke of power reducing the property rights of property owners.

Mr. Padella continued to review some non-agenda items such as reducing the Fireworks discharge period which is currently June 20th until July 5th which coincides with the City's fireworks sales tents. Mr. Padella stated he would research what neighboring cities are doing. He also reviewed the City's requirement for property owners to mow the city right of way to the edge of the street. However, in some cases outside of subdivisions it can be very large.

In addition, Mr. Padella, reviewed and noted some draft ordinances for some changes that have been discussed that will be coming in the following months such as fence permits, escrows, conditional use permit time frames, shipping containers, parking space requirements for senior living and medical offices, archway signage and more.

Lastly, Mr. Padella reminded the Mayor and Board of Aldermen of the following dates:

Hosting a portion of the MML Annual Conference on 9/14.

National Purple Heart Day on 8/7.

Celebrating America 250th Anniversary in 2026 in conjunction with a Revolutionary War Memorial plaque or stone.

B. Police Chief

Chief Dave McCune was present for the meeting. Nothing further at this time.

C. City Clerk/Treasurer

Amy Lewis, City Clerk - Treasurer – provided a bill list, 2023-year end audit report, sales tax chart and minutes.

D. City Attorney

Drew Weber, City Attorney, was present for the meeting.

Motion was made by Alderman Guccione, seconded by Alderman Gnau to go into closed session in the conference room at 8:34 p.m., pursuant to 610.021 RSMo Litigation. Motion was carried by affirmative votes of four (4) Aldermen. There were no nay votes and no abstentions. Amy Lewis, City Clerk called roll:

Alderman Gnau	Yea
Alderman Guccione	Yea
Alderman Krekeler	Yea
Alderman Holt	Yea

On motion of Alderman Guccione, seconded by Alderman Holt, the Board voted to exit the closed session and return to the open meeting in the Board Room at 9:45pm. Motion was carried by affirmative votes of four (4) Aldermen. There were no nay votes and no abstentions.

Communications from the Alderman

Alderman Johnny Gnau requested the sidewalk in front near 5208 and 5210 Highway N needs some attention where an old driveway approach remains and is a tripping hazard.

Communications of the Mayor

Nothing further.

Closed Session (if necessary) regarding Confidential Communications, Litigation, Real Estate and Personnel pursuant to 610.021RsMo.

None.

Adjournment

Alderman Guccione moved to adjourn the meeting. Alderman Gnau seconded the motion. Motion was carried by affirmative votes of four (4) Aldermen. There were no nay votes and no abstentions.
