**CITY OF COTTLEVILLE
BOARD OF ALDERMEN WORK SESSION MINUTES
WEDNESDAY, AUGUST 24, 2022**

The Board of Aldermen held their work session at City Hall located at 5490 5th Street Cottleville, Missouri.

Mayor Bob Ronkoski called the meeting to order at 6:00 p.m.

Amy C. Lewis, City Clerk called roll and those present at roll call were:

Alderman Stiles	Present
Alderman Krekeler	Present
Alderman Guccione	Present
Alderman Thompson	Present

There were four (4) Aldermen present and zero (0) absent.

Staff Reports

a.) City Attorney

Drew Weber, City Attorney was present for the meeting. During this time, the Board of Aldermen discussed how to regulate or prohibit the homeless from panhandling in a street or parking lot. Mr. Weber noted if regulated, it would apply to all panhandling such as fire department boot collections, national poppy day, old newspaper boy day etc. Alderman Guccione suggested the panhandlers get a business license. It was the consensus of the Board of Aldermen this may be too difficult to regulate, and it currently is not an issue in the city limits of Cottleville.

Mr. Weber also reported he has looked into the request to prohibit extended parking on subdivision streets by properly licensed and maintained vehicles. He stated on public streets it can be difficult to enforce. He further stated it also can be difficult to prove exactly when the vehicle moved last, how far it moved or if it moved over night, etc. He stated owners can move the vehicles back and forth from one spot to another after notice was given in order to avoid citations. He further stated using a chalk line would require obtaining a warrant. It was the consensus of all four Aldermen to take no further action on this in order to not tie up police officers with such a nuisance that cannot be enforced more easily.

Lastly, Mr. Weber stated the city does not have an underlying interest in the paper street known as Water Street, therefore it can be vacated to the property owners on each side of it. It was noted this has already been done in some cases of paper streets in the City of Cottleville.

b.) City Administrator & Public Works Director

Rich Francis, City Administrator, reviewed the consent agenda, public hearings and other agenda items for tonight's meeting such as;

- Cottleville Trails HOA fees and trail paving
- Bauerhaus Lot 3spec building
- new 40 x 80 barn at 1159 Motherhead Road
- Bill 22-044 needs to be tabled
- adding 40 additional parking spaces and a sidewalk to the West of City Hall as well as more parking near Kochanski Multi Sports Field, Pavilion A and B.

Lastly, Mr. Francis reviewed approved plan deficiencies at Lens Auto's new location. He provided a summary handout. It was the consensus of the Board of Aldermen to require:

- sight proof fence is extended
- parking lot curbing will be install
- install concrete bollards along retaining wall
- remove parking spaces in the northwest corner of the building to allow for two-way traffic
- revision of two concrete islands at the front of the office be accepted

-allow an additional right of way vacation in order to provide more irrigated landscaping and screening
-submit a new landscape plan with more trees and less bushes for City Administrator approval.

Mr. Francis will meet with the owners of Len's Auto to rectify the deficiencies above.

Mr. Francis stated 7 Brew Coffee is unable to obtain the brick veneer shown on their plan and has requested a larger block style brick. It was the consensus of all four Aldermen for them to move forward with using what is available.

Mr. Francis stated The Babylon has requested a code revision allowing them to have live entertainment again inside the building. Mr. Francis did not want to propose such a change unless directed by the Aldermen of that ward due to previous requests or complaints from the Board regarding the same. It was noted both Alderman Krekeler and Thompson have met to discuss the same with Babylon. Alderman Thompson stated he has spoken to his neighbors and was now in favor of allowing The Babylon to have live entertainment inside. It was the consensus of the Aldermen to not permit outdoor entertainment at the Babylon if that can be regulated as well in the code revision Mr. Weber drafts. Alderman Thompson stated he will go back to his HOA members to speak to them once more on the issue and will let Mr. Francis know via email.

c.) Chief of Police

Steve James, Chief of Police stated CPD officers recently had MACTAC and firearms training. He further stated he was sending 2 supervisors to Eastern Missouri Police Academy Command College which would involve 1 week per month for the next 8 months.

d.) City Clerk/Treasurer

Amy Lewis, City Clerk/Treasurer, provided minutes, Treasurer Report and a list of expenditures.

Communications from Aldermen

Alderman Thompson inquired if he could abstain on a particular item rather than voting no. It was noted an abstention is typically for a conflict of interest.

Communications from Mayor

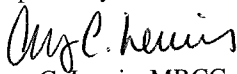

None.

Closed Session (if necessary) regarding Confidential Communications, Litigation, Real Estate, and Personnel, pursuant to 610.021RSMo

Alderman Stiles moved to adjourn the meeting. Alderman Guccione seconded the motion. Motion was carried by affirmative votes of four (4) Aldermen. There were no nay votes and no abstentions.
