Discussion was held regarding the Cottleville Police Department's desire to move police dispatching services, prisoner housing and CAD or record management services to the City of O'Fallon by July 1<sup>st</sup> due to officer safety concerns and better equipment or services available such as a flock camera command center. Alderman Guccione stated he would like a flock camera in every Cottleville park not just Legacy Park. In addition, it was noted that the OFallon jail is closer and seems to run more efficiently therefore getting officers back in Cottleville on duty quicker.
